**Dear Colleagues!**

According to the Plan of meetings, conferences and workshops approved by the Ministry of Science and Education of the Russian Federation, Institute of Cosmophysical Research and Radio Wave Propagation FEB RAS holds the

**X Anniversary International Conference «Solar-Terrestrial Relations and  
Physics of Earthquake Precursors»  
on October 1-5, 2019**

The official languages of the Conference are Russian and English.

**Themes of the Conference:**

1. atmosphere physics (including solar activity effects on atmosphere dynamics);
2. geophysical fields and their interactions;
3. physics of earthquake precursors.

**Forms of Presentations:**

1. personal participation with oral presentation;
2. personal participation with a poster;
3. oral presentation via videoconferencing.

**Preliminary Schedule of the Conference**

**October 1, 2019** – registration of participants, plenary presentations, session presentations;

**October 2-4, 2019** – session presentations;

**October 5, 2019** – Discussion of the conference results, excursions.

**Accommodation:** Participants will be accommodated at the Hotels near the Institute.

**Organization fee:** 3500 rubles for the participants and 1000 rubles for students and postgraduates.

The abstracts will be published by the beginning of the Conference. On the decision of the Scientific Committee and if an author agrees, some manuscripts are supposed to be published in «E3S Web of Conferences» (<http://www.e3s-conferences.org>) indexed by the main international reference systems (publication fee is 4000 rubles) and in a special issue of the scientific Journal “Bulletin of KRASEC. Physical & Mathematical Sciences” (<http://krasec.ru>) included into the VAK list. The manuscripts submitted for publication should be up to 15 pages long, based on the requirements of the suggested journals.

**Submission of abstracts and manuscripts will begin on March 1, 2019 on the site:**

<http://conference.ikir.ru>

In order to apply to the Russian Fund for Basic Research for financial support, please, let us know the authors' initials and surnames and the title of your presentation until February 18, 2019. All the information of preliminary submission will be available for changing until April 30, 2019.

Manuscript files should be submitted via the registration form on the site <http://conference.ikir.ru> until September 15, 2019.

Text should be formatted according to the guidelines for authors of a Journal.

One author may be a co-author in not more than two papers in each journal.

The Scientific Committee has the right to move a presentation to another section and to reject the publication of a manuscript based on its content discussion at the conference or text format nonconformity. In this case the authors will be informed.

For the Journal «E3S Web of Conferences», the guidelines for authors are available through the link (one-column layout) <http://www.e3s-conferences.org/for-authors>. The manuscript is to be in English. Manuscript pdf-file should be submitted to the Organizing Committee. One may also check its quality by an analyzer <http://pdf-analyser.edpsciences.org/>. We should also pay your attention that all fonts should be integrated into the file and figure resolution should be not less than 150 dpi.

For the Journal “Bulletin of KRASEC. Physical & Mathematical Sciences”, the guidelines are available through the link <http://krasec.ru/avtoram/>. The manuscript is to be submitted in Russian and in English. Please, pay your attention that according to the requirements of this Journal, the text should be in LaTeX format only.

**Key dates:**
