Dear Colleagues!

According to the Plan of meetings, conferences and workshops approved by the Ministry of Science and Education of the Russian Federation, Institute of Cosmophysical Research and Radio Wave Propagation FEB RAS holds the

**X Anniversary International Conference «Solar-Terrestrial Relations and
Physics of Earthquake Precursors»
on October 1-5, 2019**

The official languages of the Conference are Russian and English.

Themes of the Conference:

1. atmosphere physics (including solar activity effects on atmosphere dynamics);
2. geophysical fields and their interactions;
3. physics of earthquake precursors.

The program includes plenary (30-minute), invited (20-minute), oral (15-minute) and poster presentations.

Forms of Presentations:

1. personal participation with oral presentation;
2. personal participation with a poster;

The abstracts will be published by the beginning of the Conference. On the decision of the Scientific Committee and if an author agrees, some manuscripts are supposed to be published in «E3S Web of

Conferences» (<http://www.e3s-conferences.org>) indexed by the main international reference systems (publication fee is 4000 rubles) and in a special issue of the scientific Journal “Bulletin of KRASEC. Physical&Mathematical Sciences” (<http://krasec.ru>) included into the VAK list. The manuscripts submitted for publication should be up to 15 pages long, based on the requirements of the suggested journals.

Deadline for abstracts submission is May 15, 2019!!!

The resource for abstract and manuscript submission is open on the site:

<http://conference.ikir.ru>

Manuscript files should be submitted via the registration form on the site <http://conference.ikir.ru> until September 15, 2019.

Text should be formatted according to the guidelines for authors of a Journal.

One author may be a co-author in not more than two papers in each journal.

The Scientific Committee has the right to move a presentation to another section and to reject the publication of a manuscript based on its content discussion at the conference or text format nonconformity. In this case the authors will be informed.

For the Journal «E3S Web of Conferences», the guidelines for authors are available through the link (one-column layout) <http://www.e3s-conferences.org/for-authors>. The manuscript is to be in English. Manuscript pdf-file should be submitted to the Organizing Committee. One may also check its quality by an analyzer <http://pdf-analyser.edpsciences.org/>. We should also pay your attention that all fonts should be integrated into the file and figure resolution should be not less than 150 dpi.

For the Journal “Bulletin of KRASEC. Physical & Mathematical Sciences”, the guidelines are available through the link <http://krasec.ru/avtoram/>. The manuscript is to be submitted in Russian and in English. Please, pay your attention that according to the requirements of this Journal, the text should be in LaTeX format only.

Key dates:
