SOLAR-TERRESTRIAL RELATIONS AND PHYSICS
OF EARTHQUAKE PRECURSORS
8th International Conference

September 25 — 29, 2017, Paratunka, Russia
<http://www.ikir.ru/ru/Events/Conferences>

Dear Colleagues!

According to the Plan of meetings, conferences and workshops approved by the Federal Agency for Scientific Organizations, Institute of Cosmophysical Research and Radio Wave Propagation FEB RAS holds the **VIII International Conference «Solar-Terrestrial Relations and Physics of Earthquake Precursors» devoted to the 30th anniversary of creation of IKIR FEB RAS on September 25-29, 2017.**

The official languages of the Conference are Russian and English.

Themes of the Conference:

1. Atmosphere physics (including solar activity effects on atmosphere dynamics);
2. Geophysical fields and their interactions;
3. Physics of earthquake precursors.

Preliminary Schedule of the Conference

September 25, 2017 – registration of the participants, plenary presentations;

September 26-28, 2017 – session presentations;

September 29, 2017 – excursions.

Accommodation: Participants will be accommodated at the Hotels near the Institute.

Organization fee: 3000 rubles for the participants and 500 rubles for students and postgraduates.

Publication of the report abstracts is planned to be done by the beginning of the Conference. On the decision of the Scientific Committee and if an author agrees, some reports are supposed to be published in «E3S Web of Conferences» (<http://www.e3s-conferences.org>) indexed by the main international reference systems. Other reports will be published in a special issue of the scientific Journal “Bulletin of CRAESC. Physical-Mathematical Sciences” (<http://krasec.ru>) on the decision of the Scientific Committee and if an author agrees.

Preliminary registration of abstracts and reports is open from March 13, 2017 on the site:

<http://conference.ikir.ru>

Report files should be submitted via the registration form on the site <http://conference.ikir.ru> until May 14, 2017.

Text format should be done according to the guidelines for authors.

One author may be a co-author in not more than two articles in one of the journals.

The Scientific Committee has the right to move a report to another section and to reject the publication of a report based on its content or text format nonconformity. In this case the authors will be informed.

For the Journal «E3S Web of Conferences», the guidelines for authors are available through the link (one-column layout) <http://www.e3s-conferences.org/for-authors>. The report is to be in English. Report pdf-file should be submitted to the Organizing Committee.

For the Journal “Bulletin of CRAESC. Physical-Mathematical Sciences”, the guidelines are available through the link <http://krasec.ru/avtoram/>. The report is to be submitted in Russian and in English. Please, pay your attention that according to the requirements of this Journal, the text should be in LaTeX format.

Key dates:

March 13 – beginning of the preliminary registration, submission of titles and abstracts of reports;
