### **Third Announcement**

According to the Plan of meetings, conferences and workshops approved by the Ministry of Science and Education of the Russian Federation, Institute of Cosmophysical Research and Radio Wave Propagation FEB RAS holds the **XI International Conference «Solar-Terrestrial Relations and Physics of Earthquake Precursors» on September 22-25, 2020.**

The official languages of the Conference are Russian and English.

### **Themes of the Conference**

1. Atmosphere physics (including solar activity impact on atmosphere dynamics);
2. Geophysical fields and their interactions;
3. Physics of earthquake precursors.

The program will include plenary (30-minute) and oral (10-minute) presentations and posters.

### **Forms of Presentations at the Conference**

1. Personal participation with oral presentation;
2. Personal participation with a poster;
3. Oral presentation via videoconferencing.

### **Schedule of the Conference**

**September 22, 2020** – registration of participants, plenary presentations;

**September 22-24, 2020** – session presentations;

**September 25, 2020** – excursions.

**Accommodation:** Participants will be accommodated at the Hotels of Paratunka.

The abstracts will be published by the beginning of the Conference. On the decision of the Program Committee of the Conference and if an author agrees, selected reports are supposed to be published in «E3S Web of Conferences» (<http://www.e3s-conferences.org>), indexed by the main international reference systems, or in a special Issue of the Journal “Bulletin of KRASEC. Physical & Mathematical Sciences” (<http://krasec.ru>) indexed by the Russian Science Citation Index included into the list of State Commission for Academic Degrees and Titles of Russia. According to the guidelines for authors of the Journals, texts should be no longer than 15 pages.

**Dear colleagues, the Organization Committee would like to inform you that our plans remain unchanged. We hope that the situation with coronavirus disease (COVID-19) pandemic will change by the time of the Conference. It is quite possible that we will discuss the question on the Conference format. However, due to the serious epidemiological situation in the Russian Federation, we change some of the Key Dates:**

**March 1 – May 22** – registration of the participants (<http://conference.ikir.ru>) and abstract submission;

**until May 29** – time for the Program Committee to decide on abstract acceptance and to notify the authors about the decision;

**June 15 – July 15** – acceptance of Organization Fee from the participants in the amount of:

- personal participation with oral presentation or a poster – 4000 rub.,
- personal participation with oral presentation or a poster by a student or PG student – 1000 rub.

**August 1 – September 1** – submission of manuscripts (in English) for publication in "E3S Web of Conferences". **Please, pay attention** that the publication fee for «E3S Web of Conferences» Journal will be estimated after the Conference and after manuscript acceptance by the Program Committee.

**September 28 – October 16** – submission of manuscripts for publication in «Bulletin of KRASEC. Physical & Mathematical Sciences» (free of charge).

**Please, pay attention** that one author may be a co-author in not more than two papers in each journal.

**The resource for abstract submission is open from March 1 to May 22, 2020 on the site:**
