Second Announcement

According to the Plan of meetings, conferences and workshops approved by the Ministry of Science and Education of Russian Federation, Institute of Cosmophysical Research and Radio Wave Propagation FEB RAS holds the **XI International Conference «Solar-Terrestrial Relations and Physics of Earthquake Precursors» on September 22-25, 2020.**

The official languages of the Conference are Russian and English.

Themes of the Conference

1. Atmosphere physics (including solar activity impact on atmosphere dynamics);
2. Geophysical fields and their interactions;
3. Physics of earthquake precursors.

The program will include plenary (30-minute) and oral (10-minute) presentations and posters.

Forms of Presentations at the Conference
