

Second Announcement

According to the Plan of meetings, conferences and workshops approved by the Ministry of Science and Education of the Russian Federation, Institute of Cosmophysical Research and Radio Wave Propagation FEB RAS holds the

XII International Conference «Solar-Terrestrial Relations and Physics of Earthquake Precursors»

on **September 27 - October 1, 2021.**

The official languages of the Conference are Russian and English.

Themes of the Conference

1. Atmosphere physics (including solar activity impact on atmosphere dynamics);
2. Geophysical fields and their interactions;
3. Physics of earthquake precursors.

The program will include plenary (30-minute) and oral (10-minute) presentations and posters.

Forms of Presentations at the Conference

1. Personal participation with oral presentation;
2. Personal participation with a poster;
3. Oral video presentation (online).

Preliminary Schedule of the Conference

September 27, 2021 – registration of participants, plenary presentations, session presentations;

September 28-30, 2021 – session presentations;

October 1, 2021 – excursions.

Organizational fee for a conference participant is 4650 rubles (the sum in dollars is calculated according to the currency rate of the Central Bank of Russia on the day of payment). The sum does not depend on the form of participation and on the number of presentations.

We would like to pay your attention that each participant can make not more than 2 presentations.

Accommodation: Participants will be accommodated at the Hotels of Paratunka.

Key dates:

March 1 - April 30 – registration (<http://conference.ikir.ru>) and abstract submission;

May 4 - May 28 – time for the Program Committee to decide on abstract acceptance and to notify the authors about the decision;

June 1 - July 15 – acceptance of Organizational Fee from the participants;

August 2 – September 1 – submission of manuscripts (maximum two from one author) in English for publication in "E3S Web of Conferences" (<http://www.e3s-conferences.org>), indexed by the main international reference systems. Publication fee for «E3S Web of Conferences» Journal is paid **after the Conference** and after manuscript acceptance by the Program Committee.

October 4 – October 22 – submission of manuscripts (maximum two from one author) for publication in a special Issue of «Bulletin of KRASEC. Physical & Mathematical Sciences» (<http://krasec.ru/en/>) included into the list of State Commission for Academic Degrees and Titles of Russia.

According to the guidelines for authors of the Journals, texts should be no longer than 15 pages.

The resource for abstract submission will be available from March 1, 2021 at <http://conference.ikir.ru> An abstract should contain maximum 1500 symbols without key words and references. Formulas and special symbols should be in LaTeX format. Abstract book is published according to authors' edition.

Welcome to the XII International Conference
